## DID YOU KNOW THAT CHIANTI CAN OFFER MORE THAN JUST WINE?

With this activity you will discover the wonders of this region that is now renovating and welcoming new kinds of production.

The first stop involves, of course, wine and extra virgin olive oil tasting in one of the last family farms who uses old techniques and traditional equipment.

To taste the real flavor of olive oil and Chianti classico as it used to be decades ago.

Then (surprise, surprise!) the tour will continue with... beer!

Italy is not well known as a beer country, but young and brave people started this kind of production also here in Chianti and the result is amazing!

Last but not least the sheep farm; here you will enjoy a tour of the grounds, the stables, where it might be possible to see the milking or the feeding of the animals, and finally a visit to the cheesemaking lab.

Next you will be able to taste each one of the cheeses produced here, coupled with organic honey, bread and of course wine!

An expert local guide will lead you during the entire day, so you can look with your eyes how in this land the old and the new are not in contradiction but can mix together in a unique ensemble.

TOGETHER WITH THE VINE, OLIVE TREE WAS ONE OF THE PLANTS INTRODUCED IN TUSCANY BY THE ETRUSCANS, MANY CENTURIES B.C. SO IT IS NATURAL THAT OLIVE OIL CHARACTERIZES THIS LAND AS MUCH AS WINE.

You have the chance to have a lot of wine tours of many different types, but the offer of extra virgin olive oil tasting is not that big. Well, we think that this fantastic product deserves a tour on its own and this is what we are offering you.

In Italy olive oil is considered not just a grease to cook with, but a food itself, a protagonist of our cuisine. With this activity we will bring you to two oil mills, definitely different in style and techniques.

The first, traditional, genuine and family run, will show you the various types of olives, along with all the machinery to obtain the best quality extra virgin olive oil.

The second, own by a Tuscan noble family, is situated in a villa from the 17th century and hosts many tool used in the past for the oil making, together with the new ones that still consent to the family to produce one of the finest oil of the region.

Lunch will be served in the farm where you will enjoy a wine tasting pairing with traditional tuscan cuisine. Both places combine the knowledge of the ancestors with the modern technologies to offer a product of priceless value.

Enjoy tasting and learning all about the different characteristics, culinary uses, and many health benefits of various olive oils, surrounded by charming views and in complete relax.

PASTA AND WINE: THE THINGS YOU THINK ABOUT WHEN IT COMES TO TUSCANY.  
WHAT'S BEHIND?

DO YOU KNOW HOW WHEAT BECOMES PASTA AND GRAPES TURN INTO WINE?  
NOW YOU HAVE THE CHANCE TO LEARN ABOUT IT.

First of all, the activity will lead you to a pasta factory in Chianti, owned for more than 100 years by the same family: now the 4<sup>th</sup> and 5<sup>th</sup> generation work together with the same passion of their ancestors. In this pasta factory they don't only produce the "regular" pasta (actually, they have more than 40 types), but also they make egg pasta and they experiment with ancient grains.

The natural companion of pasta is, of course, wine. The local guide you will have with you for all the tour will lead you to one of the most famous wineries of Chianti Classico area. Since the end of the 19th century, the family who owns the place produces fine reds and also whites in a land blessed with a perfect terroir. People working in the winery know that wine is a mix of science and art and they will be happy to introduce you to this magical world and reveal their "secrets": hard work and passion for a superb quality product.

Lunch is also included with wine pairing class.

IF YOU ARE VEGAN, WE ARE SORRY BUT THIS IS NOT THE TOUR FOR YOU .  
THE GREAT MEAT TOUR IN TUSCANY: CINTA SENESE E BISTECCA FIORENTINA.

Meat, delicious meat: together with the wine, Tuscany is also a land of incredible meat. Starting with pork, you will get to know the variety of the so called "cinta senese" ("Sienese belt", due to the color of the animal, black with a pink stripe around the belly), a special breed of domestic pig, raised just in the area around Siena. This meat obtained also the D.O.P. certification, a strong production control, and it is perfect to make local cold cuts, known to be really high quality in all Italy and beyond.

Don't miss the chance to try these wonderful products in a local farm where the animals are both risen and processed.

After the cinta, how we cannot talk about the Florentine steak?

The majesty of all Tuscan meat.

Have the occasion to eat this fantastic 3 to 4 fingers high T-bone steak, cooked by a traditional local master.

The meat is well-done outside and completely underdone inside, but, believe locals, the flavor is something unique, meat will literally melt in your mouth like butter.

If you like meat, this is definitely an activity you have to do while you are in Tuscany: you will come back again, guaranteed.

IT IS NOT JUST ABOUT TASTING.  
THIS UNIQUE, ORIGINAL EXPERIENCE WILL ALLOW YOU TO CREATE YOUR OWN WINE.

This unique, original experience will allow you to create your own wine with the help of expert oenologists when visiting some of the best wineries of Tuscany, choosing amongst five different grapes and create your own customised bottle with cap and tailor-designed label.

This is a unique, fun and easy way to learn more about the Tuscan wines. Experts will guide customers step by step, learning how to give a certain character to your very personal wine. Inside an ancient room under the '700 villa, our winemaker will describe the different characteristics of the 5 grapes sampled directly from the oak barrels.

Then, guided by our winemaker but following your personal taste, you will try several blends and try then to create your "perfect" wine.

The amount of bottles ordered will be placed on a bottle rack for the maturation, which will take about 25 days. One extra bottle will be immediately given to be taken with you.

During the time of maturation, you may prepare and send us a digital file with your personal label. Once the maturation has been completed, the wines will be packaged with your personal label and shipped directly to your home.

A full typical Tuscan lunch may be set up in the old Villa, after of before the experience, accompanied by Monterinaldi's wines.

The lunch is included in the cost of the experience.
