

# POLATOUR®

**The POLATOUR®** is a DIY city tour which allows you to discover all Siene secrets and to eternalize them into instant photos. You will discover all the extraordinary places hidden in Siena, away from the standard tourist itineraries. A unique and unforgettable experience that combines the vintage taste of Polaroid pictures with memories that will always stay with you.

Our POLAKIT® will accompany you around Siena, allowing you to completely personalize your experience. The POLAKIT®, collectible at the beginning at the tour, comes with:

\* **A POLAGUIDE®**: a guidebook to the city. The POLAGUIDE® is not only a compendium of Siena's history, but also contains many anecdotes and interesting tales about each single place you will be visiting. Ask us for all the possible itineraries and chose the one that picks your interest.

\* A city map reporting all the highlights of the city.

\* An instant camera (\*\* to be returned at the end of the tour).

\* A 10 instant photo film pack.

\* A backpack where you can store all the material.
