DESCRIPTION

An unforgettable half day chauffeur-driven tour in the heart of Chianti, far from the hustle and bustle of Florence.

Let your personal chauffeur do all the work and take you on a half day journey through the **spellbinding countryside** of **Chianti**, a region known for its scenic beauty, picturesque villages and pure air. Your chauffeur will pick you up from your hotel and take you for a 30-minute drive through beautiful **rolling hills, verdant vineyards** and **olive trees**; he will be more than happy to stop along the road and let you take some wonderful pictures whenever you see something that catches your eye. Relax and enjoy the scenery, the first stop on the tour is just around the corner!

The **Chianti wine region** needs no introduction, and its marvellous landscape is literally dotted with picture postcard tiny villages and magnificent castles dominating sunny rolling hills. Don't forget to visit **Greve in Chianti** or **Montefioralle**, some of the most beautiful and authentic Chianti villages: **tiny squares, delicious patios** decorated with flowers, **small artisans' shops** and **local wineries** where you can taste the world renowned **Chianti Classico red wine** (if option selected).

Your personal driver will be at your complete disposal, so you can choose whether to express to him your preferences or to let him take you on an unforgettable journey in the heart of Tuscany!

A **private tour** that gives you the opportunity to discover the **flavours and colours** of the **enchanted Chianti wine region** between Florence and Siena!
