

SAN GIMIGNANO, SIENA, MONTERIGGIONI & CHIANTI

Crossing the beautiful Chianti hills we arrive at the Medieval hilltop gem of **MONTERIGGIONI**, with its still intact walls and the real atmosphere of olden times.

Our day continues to **SIENA**: follow our guide to the suggestive Piazza del Campo, where the magnificent Palazzo Pubblico stands, with its Torre del Mangia. Visit Piazza del Duomo and be impressed by the imposing Cathedral, one of the finest achievements of Italian Gothic. Before leaving Siena you will be served a light lunch in a cozy restaurant where, together with genuine Tuscan products, you will savour traditional pastries.

The next stop is **SAN GIMIGNANO**, celebrated for its white wine Vernaccia and its skyscrapers also declared a World heritage Site by **UNESCO**! The visit is free for independent sightseeing, strolling around the narrow streets and admiring the relaxing panorama.

Afterwards, we move into the **CHIANTI** area, with its picture-postcard landscapes. You have the chance to taste the best Chianti red wine on a rustic wine estate along with home-made snacks.

Please note that the given order of the visits may change.
