

# One day of Art

## An intensive day of Art

One-day Art classes are meant for those who have little time to spend in Florence and in Tuscany, but they like to experience an intensive day of Art in our studio or among the monuments and buildings of **Florence** or even in any another area of Tuscany, such as the charming **Chianti** hills, the medieval **Siena** and **San Gimignano**, or the beautiful **Lucca**.

**One-to-one** or **very small group classes** are held both in **English** and in **Italian** over the week and at weekends. Students can take their lessons en plein air in the squares and streets of Florence, in its beautiful surroundings or in the famous Chianti hills. Students can also choose one or more among these destinations in Tuscany: **Siena, San Gimignano, Monteriggioni, Pisa, Vinci, Volterra, Certaldo, Lucca, Montepulciano, Pienza, Montalcino, Arezzo**.

For individuals and small groups the programme and the schedule of these courses can be **totally tailored** to their needs and interests.

**Program A.** One day of Drawing and Painting in Florence and/or in its surroundings

This is a very in-depth course conceived for those artists who, while spending a day in Tuscany, wish to be immersed in the Renaissance atmosphere, drawing and painting under the supervision and guidance of our experienced Art teachers.

During this course students will have the opportunity to choose and practice various drawing and painting techniques, such as graphite, charcoal, pastel, water-colour, acrylic, oil.

En plein air sessions can take place along the Arno river, in the **ancient squares** and in the “**secret**” **gardens** of Florence, away (but not far) from the madding touristic crowd. We can advise you on where to paint and draw before the lesson starts but you can also decide your destination on the day of your lesson.

*This course is suitable both for Art novices as well as for experienced artists and professionals.*

**Program B.** One day of Drawing and Painting in the studio

A very intensive, tailored Art course for those who wish to focus on **drawing and painting techniques**, either on an individual basis or in very small groups. Two options of classes are available: 4 hours of tuition in half a day or 6 hours in a day. For these lessons our teachers will arrange a **programme according to your needs**, artistic experience and background.

**Program C.** One day of Drawing and Painting in Tuscany

This is a very special course that will take you in a full day to one or more of the following unforgettable places:

the Chianti area, between Florence and Siena, Siena, San Gimignano, Monteriggioni, Pisa, Volterra, Vinci, Certaldo, Lucca, Montepulciano, Pienza, Montalcino, Arezzo.

You will take sketches of the marvellous Tuscan countryside and towns and you will be able to paint breathtaking “scorci” en plein air.

A private car will take you and your Art teacher to the place you have opted for: you will have the opportunity to draw in a relaxed atmosphere and to achieve some artworks that you will take home and maybe use to get inspired in the future.

Our Art teachers will help students to develop their observation abilities while reproducing a natural landscape or a townscape, or even a monument or an ancient building. Students may choose to approach and practice one or more techniques according to their skills and preferences, such as charcoal, pastel, oil.
