

Taste Pistoia : food,art and shopping with a private guide

I will wait for you in the heart of **Tuscany**, in Pistoia, the Italian **capital of Culture** 2017.

I will then accompany you on a **pleasant walk** to discover the buildings that surround the beautiful square of the **Duomo**, one of the few square shaped in Italy.

Following a route of the first tour of the city walls, we will visit the whole historic center by focusing on the most interesting points.

We will see the **historic shops** because it is here that the real life of the city with its inhabitants occurs.

We will be continuing our journey to discover **Pistoia** with some **tastings** of typical Pistoia's products and I assure you that "**my Pistoia**" will remain forever in your heart, because it will have become a part of it!
