OVERVIEW

Borgo I Vicelli is an historical hamlet framed by the marvelous Florentine Chianti Hills amidst olive groves and the magical atmosphere of the Tuscan country-side. 16th century village, the Borgo consists of four rural buildings where there are our charming rooms and luxury suites, the antique Mill dedicated to the Borgo's leisure activities and events and the nineteenth century Villa surrounded by luxurian garden, the perfect location for the 9x18 metres open-air Swimming Pool exposed to the sun all the day. In front of the pool the EVO Gourmet Restaurant Al 588 featured in the best guides.

Borgo I Vicelli provides an ideal milieu for arranging unique and elegant events like weddings and any kind of celebration and can be enjoyed for relaxing moments on holiday far from any chaos or stress. At the same time, being a short distance from Florence city center and near to the highway A1 exit, it is ideal for business meeting, international conventions, new product launches and presentations, company training courses and team building activities.

LOCATION

Borgo I Vicelli is located in an estate of 17 hectares of olive trees, reserve for the restocking of the animals that drink from the little lake full of water lilies.
